11. To compare AI-generated content with student-created content

a) Write a 100–150 word paragraph on the topic:

“Will AI replace jobs or change them?”

(This must be written by the student.)

b) Ask any AI tool (ChatGPT / Gemini / Copilot) to write on the same topic.

c) In your practical copy, create a comparison table with headings:

i. Human-Generated Content

ii. AI-Generated Content

Practical 11:-

Compare AI vs Human Writing

Aim:-

To compare AI-generated content with student-created content.

Objectives:-

- To identify differences in writing
- To understand AI limitations

Materials Required:-

- AI tool

Procedure:-

1. Write a paragraph manually by composing it yourself using your own ideas, wording, and structure on the selected topic.

2. Generate a paragraph on the same topic using an AI tool for comparison.

3. Create a comparison table by placing both paragraphs side by side to compare style, clarity, tone, and content differences.
